

## WELCOME TO OUR Monthly Newsletter

Happy New Year, NCSC members!

I hope you all had a restful and rejuvenating holiday season. Looking into 2024, we have a lot of events to look forward to with the club!

◆ from our President

*Molly Culley*

Our scholarship application is OPEN! Please see our website and our Facebook page for the links. Applications are due to our Scholarship Chair by March 27, 2024. They are open to dependents of ALL ranks who are military ID card holders and whose sponsor is affiliated with Fort Drum. Please share, and if you know someone who could apply, send them the info.

We're thankful for the support of our fundraising efforts throughout the year so we can offer both scholarships and community grants.

Sub clubs are going strong! Keep up with all things sub club every month with this monthly newsletter or our club Facebook page.

Finally, we do have several board positions open, so if that's an opportunity you or someone you know might be interested in, please reach out!

I'm excited to continue working with you all, continue to make connections in our community, and see everyone out and about for our activities.

Cheers to 2024!

Latest upcoming events, fundraising meetings, and more. Keep Reading!

platforms!

# UPCOMING EVENTS

## Fundraising

CONTACT [NCSCFUNDRAISING@GMAIL.COM](mailto:NCSCFUNDRAISING@GMAIL.COM)

With the aid of our gift shop, Off the Beatin' Path, the proceeds of these fundraising events go directly to the club's scholarship and grants programs. Giving back is the heartbeat of our organization!

As of now, the Fundraising committee needs members to join! If you have a heart for philanthropy and love to brainstorm creative ideas, this may be the place for you.
