From the President -

Hello, wonderful members of NCSC!

I hope this newsletter finds you healthy, happy, and rejuvenated as we welcome 2026! As we tend to hunker down in winter, I encourage you to make your way out to enjoy the beautiful North Country and keep your connections and community strong! Looking for ideas? Here are a few warm updates and reminders of the great things happening!

Our January social, Cabin Fever Fix, will be sure to cure any winter blues that may be creeping in. The North Country Gala has been rescheduled and is coming up quick in March, and Operation Deploy Your Dress has relocated and is back better than ever! Your participation makes this club the vibrant place it is, and I encourage everyone to explore our member community or reach out with any ideas you have. We are always looking for new ways to connect and grow together.

I hope each of you had a very merry holiday, and I wish you all a truly wonderful 2026!

- Alyssa Faughnan

DECEMBER RECAP

DECEMBER VOLUNTEERS OF THE MONTH

Alyssa Faughnan - President

As our President, Alyssa has gone far beyond the expectations of her role, quietly and consistently turning big ideas into real, meaningful progress for both our organization and the community we serve. One of her most impactful accomplishments this year was leading our relocation from the previous airfield space into our new space inside the USO building. This was no small feat. Alyssa coordinated logistics, managed multiple teams, and ensured the transition happened smoothly and efficiently, all while keeping day-to-day operations moving forward.

Alyssa leads by example, always willing to roll up her sleeves and do the hard work. Her passion, resilience, and commitment make her an invaluable part of our organization, and we are thrilled to recognize her as Volunteer of the Month... whether she wanted the spotlight or not.

Whitney McClure - Community Outreach

In her role, Whitney is our local benefactor-finder: the person who uncovers worthy nonprofit causes and connects them with our club. She has a heart for service, a passion for people, and love building bridges between community organizations and the club.

Each month, she seeks out unique and often unknown charities to feature at our monthly social. Thanks to Whitney, we're introduced to corners of our community that are often untouched and under-recognized—places where a little visibility and support can make a big difference. Whitney lives out the NCSC value of community connectedness in everything she does and we are so grateful for her!

RECAP

The best way to spread holiday cheer, is connecting with friends near and dear!

December was a busy and exciting month for NCSC! We wrapped up the year with a big move—you can now find Operation Deploy Your Dress at the newly reopened USO building!

While the weather was a little frightful and put a damper on a few sub-club meetups, it didn't stop us from finding plenty of holiday cheer together. We crafted our own ornaments, shared lots of laughs during White Elephant gift exchanges, and gathered for a cozy social filled with cocoa, cookies, and great company.

Thank you for showing up, supporting one another, and making December feel merry and bright—no matter the forecast.

Stay in Touch!
