From the President -

February may be the shortest month of the year, but NCSC has a full calendar of fun, connection, and community-building opportunities!

Be sure to check out our many sub-club events, and don't miss our Pal-entines Pajama Bash on February 27th, paired with our Bowling with the Board event during the hour leading up to the social. This is a great opportunity to connect with current board members and learn more about leadership positions opening for the 2026–2027 season.

February 1st also marks the launch of our Scholarship and Grant Applications. Be sure to review the details in this newsletter and on our website to learn more about eligibility. We're thrilled to once again support military spouses pursuing education and local non-profits making an impact in our community.

And don't forget — membership is half off for the remainder of the season! Be sure to spread the word and invite friends and neighbors to join us.

We can't wait to see you this month!

JANUARY RECAP

VOLUNTEERS OF THE MONTH - JANUARY

Mona Alfaro - Property Manager

Known affectionately as the club's "Human AirTag," Mona is truly our inventory extraordinaire—she knows where everything is and ensures all club property is accounted for, organized, and ready when needed. Mona's impact was especially significant during the move to the USO Building and the reorganization of our storage unit. She dedicated dozens of hours—literally—sorting inventory, organizing supplies, and reducing clutter to make our storage space more functional and efficient. Her contributions went far beyond planning and oversight; Mona was hands-on every step of the way, lifting and moving boxes and providing essential logistical support throughout the process.

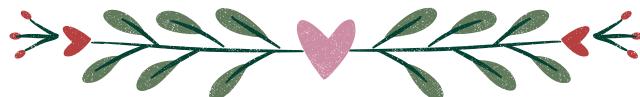

In addition to her tireless work behind the scenes, Mona is always willing to open her home to the club for gatherings, further demonstrating her generosity and commitment to fostering a welcoming community. Her reliability, physical effort, and willingness to step up wherever help is needed make her an invaluable asset to the club.

Yornalis (Jodi) Loblack - Reservations

As our Reservations Chair—fondly known as the “Ruler of RSVPs”—Jodi plays a vital role in ensuring our socials and events run smoothly. She consistently keeps track of event attendance with precision, helping our leadership team plan successful, well-organized, and welcoming gatherings. Jodi brings a warm, positive presence to everything she does, and her genuine love for helping events succeed is felt by all who attend.

In addition to her role as Reservations Chair, Jodi helps plan many of our monthly socials, creating fun and inclusive experiences for our spouses, and she also serves as co-chair of the Cooking Club. Jodi has a hand in many of the moving parts that keep our club thriving, often working quietly behind the scenes. Her reliability, enthusiasm, and commitment make such a difference and we are so lucky to have her!

RECAP

North Country winter is officially in full swing! Between snowstorms and nonstop shoveling, January reminded us just how strong (and resilient!) our community truly is. Despite the cold, we found plenty of ways to connect and stay warm — from sub-club meetups filled with laughter and friendship to our Blue Star Families-sponsored Coffee Connect, where hot coffee and even warmer conversation brought spouses together.

We're also excited to share that all of our supplies is now officially moved into the USO building alongside Operation Deploy Your Dress (ODYD)! Don't forget that we have a lot of decorations and supplies available for you to borrow for your next ball or event.

Here's to finding warmth in community — even in the heart of winter. We look forward to connecting with you soon!

Stay in Touch!
